

# SUNRISE NURSING HOME NEWSLETTER

June 2020 Volume 1, Issue 3

Welcome to our 3rd issue of the Sunrise Newsletter. We continue to receive positive feedback from relatives, I would like to thank Emily for producing the newsletter. I have been the Registered Manager now for 3 months and it has flown by. I have regular video meetings with Natver and Kamal (Directors of Sunrise) and keep them up to date with what has been happening. We are in the process of recruiting Registered Nurses. We now use the area by the kitchen as a dining room, this has been a positive experience for the Residents.

Thank you once again for your support and hopefully see you soon.

**Dawn**

## Meet our new Gardner....Anne

Anne has joined the team as a volunteer. She has already worked her magic on the front and back gardens. She is Ingrid's Mum and Charlotte's Nan.

## July 4<sup>th</sup> 2020

We celebrated America's Independence Day on 4<sup>th</sup> July 2020. The lounge was decorated for this event, staff were encouraged to wear red, white and blue colours for the day. There was American themed picture bingo also. In the afternoon, Residents listened to music from American, whilst eating American snacks, snacks and drinks. There was a selection of Cream Soda, Ginger Beer, Pink Lemonade and Budweiser to choose from. Cream Soda was rather popular amongst the Residents.

## COVID- 19

We are continuing with garden visits for the time being. Please remember to book your visit in advance, to avoid disappointment. Dawn will send emails out as and when things change- so please keep an eye out for these. We are awaiting for test kits to arrive so Staff and Residents can be tested on a regular basis. These were ordered 3 weeks ago and have still not arrived. Other Care Homes are awaiting their supply also.

## Meet Maizie

This is Maizie, she is a 2 year old Cavapoo. She is Dawn's dog and she brings her into work. Maizie has a very soft temperament. Maizie visits the Residents on a regular basis, either in the lounge or in their bedrooms. She brings great joy to the residents and they enjoy having her around. Maizie has her own bed and toys, which are kept under Dawn's desk. Maizie is never off the lead, so she is always under control.

## Sowing seeds

We had some seeds donated by a local company – Plants of Distinction. Emily had some of the Residents plant the seeds and fingers crossed they will grow.

### **Retirement**

We would like inform you that one of our nurses Doreen has decided to retire. She notified Dawn this week. She will be missed by all of the Residents and the team here at Sunrise. We are doing a collection for her, so if you would like to add to the collection, please feel free to speak to either Dawn or Emily.

### **Thank you**

Thank you to all Relatives that have bought in biscuits, chocolates and cakes for all the staff. They were all very much appreciated !!!

Staff received a lovely “thank you” gesture for their hard work with achieving GOOD on the recent CQC inspection and keeping the home Covid free during this pandemic from the Directors
